### Milford High School

Senior pitcher Sarah Alley entered this season already as the all-time strike out leader in Milford fast-pitch history (573 Ks), and this is just one of the numerous records she has set in her great prep career. Sarah started this season strong by pitching the 4th no-hitter (12 Ks) of her career in a victory over Walnut Hills. She can also handle a bat and this season vs. Hilliard Davidson went 4-5 with a home run, 3 RBIs and 3 runs scored. Her junior year, Sarah recorded an 18-9 record (0.83 ERA, 230 Ks) while hitting .468 with 14 RBIs and 29 runs scored. She was named 1st team FAVC Buckeye (2nd time), 1st team all-city (Enquirer), 2nd team all-district, and honorable mention all-Ohio. A good student (honors curriculum) active in community service, Sarah will continue her softball career next year at Ashland University. Her favorite athlete is Roger Clemens and most-like-to-meet is Jennie Finch.
